

Improving Water Quality Through Capital Funding

What Do We Do?

PENNVEST provides low-cost financial assistance for water quality improvement projects throughout the Commonwealth, benefiting Pennsylvania's environment and the health of our citizens.

Data Stream

4,858 Projects Awarded since the inception of PENNVEST.

\$11.8+ Billion Investment.

\$1 Billion Budgeted for Award, FY 2023-2024.

Board Meetings

Financing award decisions are made by PENNVEST board members each quarter.

Scan the QR code or visit www.pennvest.pa.gov > Board Meetings to view Board Meeting and application cut-off dates.

PENNVEST Funding Sources

- Federal Capitalization Grants from EPA (Including the State Revolving Fund)
- PENNVEST Revenue Bonds
- Clean Water State Revolving Fund
- Drinking Water State Revolving Fund
- Loan Repayments and Interest Earnings
- Infrastructure Investment & Jobs Act (IIJA)

Interest Rates by County

To view current county cap rates, scan the QR code or visit www.pennvest.pa.gov >Tools > County Cap Rates.

Eligible Improvement Projects:

- Drinking Water
- Acid Mine Drainage
- Wastewater
- Brownfield
- Stormwater
- Green Infrastructure
- Non-point Source

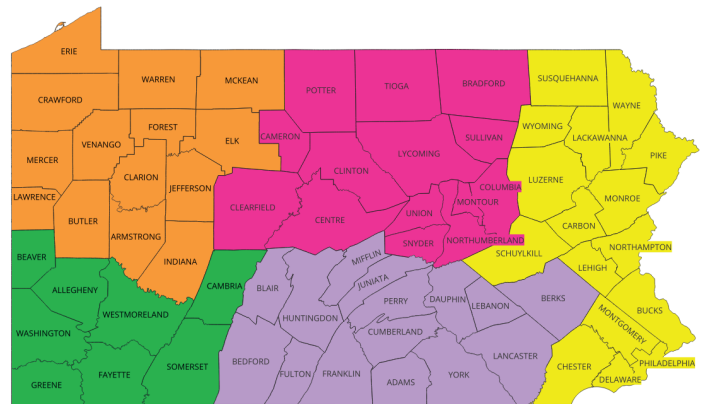

Residential onlot repairs, connections to public sewers and lateral repairs may also qualify for low-interest loans.

Visit <https://tinyurl.com/OnLotSystems> for details on how to apply.
